

## The Hanbury Botanical Gardens are open to the public

To make your visit safe, we are implementing the following measures:

- Mandatory wearing of your mask during the visit
- Separate descent and ascent routes indicated by specific signs
- Maintaining a distance of 1 meter from other visitors
- Any grouping of people during a visit is prohibited
- Access limited to 100 people in the garden (on 9 hectares)
- The staff is equipped with masks and there is a protective screen at the ticket office
- Access to the ticket office is allowed for one person at a time
- The toilets are equipped with hydroalcoholic gel
- The refreshment point is open, tables and chairs are outdoors and spaced apart. Access to the inside of the refreshment point is allowed to one person at a time. Consumption is not allowed inside the refreshment point.
